World War II rages across Europe... Castle Wolfenstein is occupied by the army of the Reich and converted into battle-front headquarters. You have been captured and brought to the Castle for interrogation by the dreaded SS. From a hiding place behind the stones of the dungeon a dying cellmate produces a Mauser M-98 pistol fully loaded with ten bullets and gives it to you. Your new mission: Find the Nazi war plans and escape Castle Wolfenstein *alive*.

Castle Wolfenstein™ is an action adventure game from MUSE demanding fast thinking and quick manual response. Use game paddles, joystick, or your computer keyboard... Castle Wolfenstein™ generates an unlimited variety of castle layouts, each more difficult to escape than the last. For the Apple II and Apple II Plus with 48K.
